12:45-12:50pm Closing - Stephen Rowley, MD

Learning Objectives

At the end of this session, learners should be able to describe key elements of treatment protocols for patients at risk of and with heart disease and apply to applicable treatment plans in clinical practice.

Target Audience: Cardiology, Interventional Cardiology, Pulmonology, Cardiac Surgery, Internal Medicine, and Family Medicine physicians, fellows, residents, physician assistants, advanced practice nurses, nurses, cardiac technologists, students and other interested professionals.

Format: Lecture, Q&A

Financial Disclosures: Dr. Brown: Consultant/Speaker for Amarin, Amgen, & Regeneron and Consultant for Ionis & Novartis; Dr. Marek: Consultant for Bristol Myers Squibb; Dr. Valika: speaker for Abbott, Boehringer-Ingelheim, Novartis, & Pfizer, Inc. The planners and other speakers have indicated that there are no financial relationships with any ineligible companies to disclose. Conflicts of Interest have been identified and mitigated prior to the activity.

Accreditation Statement

Advocate Aurora Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement

Advocate Aurora Health designates this live activity for a maximum of 4.25 *AMA PRA Category 1 credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 4.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared with the ABIM through the ACCME Program and Activity Reporting System (PARS).
