Oncology Precision Medicine
Saturday, May 2, 2020
Grand Geneva Resort & Spa
7036 Grand Geneva Way
Lake Geneva, WI

Target Audience
Medical Oncologists, Cancer Surgeons, Pathologists, Genetic Counselors, All Medical Staff

Objectives
--Understand the multi-disciplinary nature of oncology precision medicine (OPM)
--Recognize the difficulties including pathology tissue, biomarker validation, and molecular ambiguity detection from testing results
--Appreciate the central importance of genetic counselors in the OPM process
--Review examples of OPM clinical trials and real-world data generation to generate progress and value in oncology

Financial Support
Supported by an Unrestricted Educational Grant From Schroeder Chair of Surgery Endowment Earnings Fund Through Aurora Health Care Foundation

ADA Compliance
Aurora Health Care subscribes to the articles of Title III of the Americans with Disabilities Act of 1990. Should you or anyone accompanying you require special assistance, contact jill.hoffman@aurora.org

Accreditation Statement
Advocate Aurora Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement
Advocate Aurora Health designates this live activity for a maximum of 3.75 AMA PRA Category 1 credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Part II Credit Recognition Statement
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.75 MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

3.75 CME Credit Hours Offered
Registration is free

Course Directors
James Weese, MD, FACS Vice President of Aurora Cancer Care, Advocate Aurora Health
Michael A. Thompson, MD, PhD, FASCO Medical Co-Director, Oncology Precision Medicine Program, Advocate Aurora Health
Jennifer Godden, PharmD, BCOP Co-Director, Oncology Precision Medicine Program, Advocate Aurora Health

7:30 Registration / Breakfast / Exhibits
8:00 Program Overview by Michael A. Thompson, MD, PhD, FASCO
8:05 Implementing OPM & Genetics at a Large Health System – Panel to include:
Jennifer Godden, PharmD, BCOP
Michael P. Mullane, MD Medical Director, Hereditary Cancer Prevention and Management Center, Advocate Aurora Health
Antony Ruggeri, MD Medical Oncologist, Aurora Cancer Care, Advocate Aurora Health
8:50 Role of the Molecular Pathologist in OPM
Alicia M Hunt, MD Anatomic & Clinical Pathology, Advocate Aurora Health

9:10 Biomarker Validation
Dan Hayes, MD, FACP, FASCO Clinical Director of the Breast Oncology Program, University of Michigan

9:30 Tele Genetics in Oncology & Non-Oncology Precision Medicine
Scott M. Weissman, MS, CGC Licensed Genetic Counselor Chicago Genetic Consultants, LLC/Genome Medical

9:50 Implementing OPM in a Clinical Trial – HCRN BRE12-158
Milan Radovich, PhD Co-Director of the IU Health Precision Genomics Program, IU Health Vice- President for Oncology Genomics

10:10 "Big Data" and "Real World Evidence" - Current Status and Future Possibilities
Cory Wiegert, EVP & Chief Executive Officer CancerLinQ LLC

10:30 Break / Snacks / Exhibits
10:45 NCI MATCH and v2.0, iMATCH, Combo MATCH
Peter O'Dwyer, MD Co-chair ECOG-ACRIN

11:05 UCSF OPM Panels and Interpretation of Clinical Molecular Findings
James P. Grenert, MD, PhD Clinical Professor of Pathology & Medical director, UCSF Clinical Cancer Genomics Laboratory

11:25 Value in Oncology Precision Medicine
James Weese, MD, FACS

11:45 Q&A with Speakers
12:00 Wrap up by Michael A. Thompson, MD, PhD, FASCO
