**Target Audience**  
Primary Care, Pediatricians, Oncologists, Surgeons, Surgical Sub Specialists, Radiation Oncologists, Nurses and other healthcare professionals, Community health professionals

**Objectives**
- Recognize the need for engaging diverse communities in preventive care measures
- Identify and gain insight into the issues surrounding health care of the diverse populations
- Explain how to make more effective speakers and educators of the diverse patient populations

**Financial Support**  
Supported by an Unrestricted Educational Grant From Schroeder Chair of Surgery Endowment Earnings Fund Through Aurora Health Care Foundation

**Accreditation Statement**  
Advocate Aurora Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation Statement**  
Advocate Aurora Health designates this live activity for a maximum of 3.50 AMA PRA Category 1 credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ABIM MOC Part II Credit Recognition Statement**  
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.50 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
